About Our Company

Pugh Associates is a Woman and Veteran Owned Small Business, headquartered in St. Petersburg, Florida, providing quality Technical and Programmatic Solutions to our Government and Industry customers. Our dedicated staff prides themselves as the Subject Matter Experts in Ship Design, System Engineering, Test & Evaluation, Combat Systems Alignment, Integrated Logistic Support and Combat System Simulation. Pugh Associates is a great place to work, and our team is inspired to provide our warfighters with the tools to defeat threats!

Functional Responsibilities

Perform engineering analysis, assessments, investigations, engineering support, and evaluations for U.S. Navy AEGIS Weapon System (AWS), AEGIS Combat System (ACS), weapons, and weapon system element performance in accordance with associated specifications.

Description of Duties

Some specific tasking will include:

- Provide technical and engineering support of computer program development testing and shipboard systems testing. Testing will involve diverse customers and programs, including the United States Navy, Missile Defense Agency, Foreign Military Sales, and other programs as required. Support includes definition, planning, execution, analysis and reporting of computer program development, production, and shipboard combat system testing.

Minimum Education and Experience:

- Bachelor of Science degree in an Engineering discipline or Science with zero (0) years of experience
- High School/GED diploma with four (4) years of US Navy Combat System experience

Required Skills and Certifications:

- DoD Secret Clearance or ability to obtain an Interim Secret Clearance within 90 days of signing the contingent hire offer letter
- As a condition of continued employment, you must maintain an active security clearance

Other required skills/experience:

- Your resume/cv accepted by our customer
- Proficient in MS Office Word, Outlook, Excel, Access, and Power Point
- Strong attention to detail with organizational and problem solving skills
- Ability to interface constructively with US Government and Industry teammates
- Excellent written, verbal and interpersonal communication skills
- Ability to work independently and pro-actively in providing high quality services

Pugh Associates is an Equal Opportunity Employer and provides opportunities without regard to race, color, religion, gender (including identity or expression), national origin, age, disability, marital status, veteran status, sexual orientation, or genetic information.
