About Our Company

Pugh Associates is a Woman Owned and Veteran Owned Small Business, headquartered in St. Petersburg, Florida, providing quality Technical and Programmatic Solutions to our Government and Industry customers. Our dedicated staff prides themselves as the Subject Matter Experts in Ship Design, System Engineering, Test & Evaluation, Combat Systems Alignment, Integrated Logistic Support and Combat System Simulation. Pugh Associates is a great place to work, and our team is inspired to provide our warfighters with the tools to defeat threats!

Functional Responsibilities

The successful candidate will be responsible for the review, perform calculations, and comment on technical documents in shipboard electrical distribution systems, shipboard generators, Voltage Switchgear and Motor Controls.

Description of Duties

Some specific tasking will include:

- Responsible for technical reviews of shipboard power distribution focused on technical accuracy. This includes working with other engineers ensuring customer deadlines are met
- Ensure appropriate authorization sign off levels are met
- Responsible for assuring clean and timely handover of all completed projects to the shipyard team
- Knowledge of power distribution products such as Switchgear, Motor Control, and Power Distribution Panels
- Ability to read and comprehend electrical drawings (One Lines, Three Lines, Schematics, Interconnect Schedules)
- Ability to analyze customer's technical specifications and determine if the design solution will meet our customer's requirements

Minimum Education and Experience:

- Bachelor or Master of Science degree in Electrical Engineering with five (5) years applicable experience

Required Skills and Certifications:

- DoD Secret Clearance or ability to obtain an Interim Secret Clearance within 90 days of signing the contingent hire offer letter
- As a condition of continued employment, you must maintain an active security clearance

Other required skills/experience:

- Your resume/cv accepted by our customer
- Proficient in MS Office Word, Outlook, Excel, Access, and Power Point
- Strong attention to detail with organizational and problem-solving skills
- Takes initiative and has a closure-oriented nature
- Ability to interface constructively with US Government and Industry teammates
- Excellent written, verbal, and interpersonal communication skills
- Ability to work independently and pro-actively in providing high quality services

Pugh Associates is an Equal Opportunity Employer and provides opportunities without regard to race, color, religion, gender (including identity or expression), national origin, age, disability, marital status, veteran status, sexual orientation, or genetic information.
