About Our Company

Pugh Associates is a Woman and Veteran Owned Small Business, headquartered in St. Petersburg, Florida with field offices in Mount Laurel, New Jersey and Gautier, Mississippi, providing quality Technical and Programmatic Solutions to our Government and Industry customers. Our dedicated staff prides themselves as the Subject Matter Experts in Ship Design, System Engineering, Test & Evaluation, Combat Systems Alignment, Integrated Logistic Support and Combat System Simulation. Pugh Associates is a great place to work, and our team is inspired to provide our warfighters with the tools to defeat threats!

Functional Responsibilities

- The candidate must be comfortable working with commercial off-the-shelf and custom hardware designs to achieve hardware requirements.
- Responsibilities will require working within a team of engineers to test and troubleshoot proven Antenna (AESAs) designs in a production environment.
- Responsibilities include supporting hardware in production, hardware integration, test and validation, and documentation.
- This opportunity is for a versatile RF/Microwave and Antenna engineer possessing a blend of theoretical analysis, practical application, and hands-on integration abilities.
- The ability to troubleshoot RF/Microwave and Antenna (AESAs) hardware and process issues down to RF and Antenna component levels is paramount.
- Perform RF testing and, if necessary, tuning of parts at the Pre-Cap and Final RF test steps and maintaining documentation.
- Equipment operation and maintenance per documented procedures.
- Regularly review manufacturing specifications, department specific procedures

Notes:

This is not a telework position

This position is located at a WSMR

Minimum Education and Experience:

- BS in an Engineering discipline and appropriate experience

Required Skills and Certifications:

- DoD Secret Clearance or ability to obtain an Interim Secret Clearance within 90 days of signing the contingent hire offer letter
- As a condition of continued employment, you must maintain an active security clearance

Other required skills/experience:

- Your resume/cv accepted by our customer
- Proficient in MS Office Word, Outlook, Excel, Access, and Power Point
- Strong attention to detail with organizational and problem solving skills
- Ability to interface constructively with US Government and Industry teammates
- Excellent written, verbal, and interpersonal communication skills
- Ability to work independently and pro-actively in providing high quality services

Pugh Associates is an Equal Opportunity Employer and provides opportunities without regard to race, color, religion, gender (including identity or expression), national origin, age, disability, marital status, veteran status, sexual orientation, or genetic information.
